Mr. Jay Cassano

Sludge

58163-14923551@requests.muckrock.com

Dear Mr. Cassano:

This letter is in response to your Freedom of Information Act (FOIA) request that the National Science Foundation (NSF) received on May 29, 2019. In your request, you sought copies “[a]ll email correspondence to and from Debra Tekavec and Tim McNulty of Carnegie Mellon University... for dates 1/1/2016 through 9/30/2017.”

After a thorough search, no responsive records were located. NSF has no obligation under the FOIA to create, compile or obtain a record to satisfy a FOIA request. Your right to appeal this response is set forth in Section 612.9 of the NSF FOIA regulation (copy enclosed). Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request.

If you need any further assistance or would like to discuss any aspect of your request, please do not hesitate to contact our FOIA Public Liaison at 703-292-2289. Additionally, you may contact the Office of Government Information Services (OGIS) which was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS in any of the following ways:

National Archives and Records Administration
Office of Government Information Services
8601 Adelphi Road - OGIS
College Park, Maryland 20740-6001
E-mail: ogis@nara.gov

Telephone: 202-741-5770
Facsimile: 202-741-5769
Toll-free: 1-877-684-6448

There is no fee for FOIA services in this instance in accordance with 5 U.S.C. § 552(a)(4)(A)(i) et seq. Thank you for your interest in the National Science Foundation.

Sincerely,

Justin Guz
Government Information Specialist
